

THE CHALLENGERS DARE

PROGRAM DETAILS

Based on the concept of Revach

FAB SEALES 2.0 SALES FRAMEWORK

This method is a powerful tool for enhancing sales effectiveness. By clearly catering to factors even beyond Features, Advantages & Benefits, entrepreneurs can better address customer needs, differentiate their offerings and create compelling value propositions that drive higher engagement and conversion rates. This method not only improves sales outcomes but also builds stronger relationships with customers by focusing on what truly matters to them.

THE 4P METHOD OF SALES

The 4P Method of Sales is a strategic framework that helps businesses effectively market their products by focusing on four key elements: Product, Price, Place and Promotion. By optimizing each of these components, businesses can better meet customer needs, increase sales and achieve sustained success.

PRICING DYNAMICS

All the hard work of casting right impressions to giving an awesome presentation can fall flat if right pricing more so with proper dynamics is not adhered to. There is a whole science behind how to showcase your offer pricing, the relevant colors to be used and what to be highlighted with placement of the offer.

CLEARING PAST MONEY ABUSE - LAW OF REPETITIONS

An extremely deep clearing with another Revach method. We repeat major incidents that happen every 12-15 years, if you remember the great recession came in around 2008 and we are already staring at one more. All failures of past get repeated and this is the called the law of repetitions. Haven't you noticed how challenges keep repeating every 3-6 months. A unique process to help clear this is introduced in this module.

FAILURE ATTRACTS FAILURE

In fact fear of failure will always attract failure, experts mention this as one more important reason for repeating failures. Clear this with a simple technique which can be practiced always to give best results.

MONEY GOES MORE THAN IT COMES

Anything not in balance will go away and one of the reasons why entrepreneurs lose money in untoward expenses, losses, bad debts, low margins come under this ambit. Balance is the key.

ACTIVATING THE MONEY POINT

Have you wondered about an easy way to draw more money, a method used by the experts in this field. Mother earth is the giver of all life on this planet and money is also one of its giveaways only if we know how to take it.

GRABOVOI HACKS

Yes, the money world also has a hack like all other which was discovered by a Russian psychic using his radionic machine. If used in a proper manner known by few, this can help attract the desired outcome in money.
